U.S. NEWS AND WORLD REPORT, BEST COUNTRIES 2021

Laurier is inspiring the world's future leaders, researchers, artists, business owners and changemakers. For more than 110 years, Laurier has been a premier destination for students who are inspired together to excel at all they do, whether inside or outside of the classroom. Our students use their university education to build knowledge and experience that improves society, so that they can make a difference in their communities.

Inspired together.

“Community is more than a buzzword at Laurier. We strive to make sure **our students know that they matter and belong**, which leads to an enriched campus experience and academic excellence. The friendships and connections you make here **will last you a lifetime.**”

7% international student population:
small enough to receive personalized support,
large enough to meet other international students.

Our commitment to you.

As an **international student**, you strengthen our Laurier community in valuable ways with your unique perspectives, experiences and goals.

In exchange, **you receive specialized services and supports** just for international students. Your needs and wants are different, which is why we have dedicated staff and spaces to help you feel and know that you belong here.

HALL OF NATIONS

We celebrate student diversity on our Waterloo and Brantford campuses by displaying the flags of the 90+ nations Laurier international students call home.

A truly Canadian university experience

demonstrates the values and inclusive community that Canada is known for. Laurier is:

▣ A support system.

Laurier International is a dedicated resource on campus for international student services. It's a support network for your growth and development. Drop in at Laurier International to connect with other students, talk to an international student advisor or just to study.

▣ A welcoming community.

Laurier promotes equity, diversity and inclusion in every part of your student experience, and we're committed to recognizing the value and dignity of each and every student, employee and faculty member.

▣ A celebration of diversity.

Celebrate and share your culture with other students. Attend events like Lunar New Year, Diwali and the annual Multicultural Gala. You'll also learn about Canadian culture during holiday events, outdoor excursions and field trips in the community.

▣ A place to belong.

Attend events, join student clubs and participate in campus activities where you can meet other international and Canadian students, helping you feel at home in Canada and at Laurier.

Get to know Laurier International

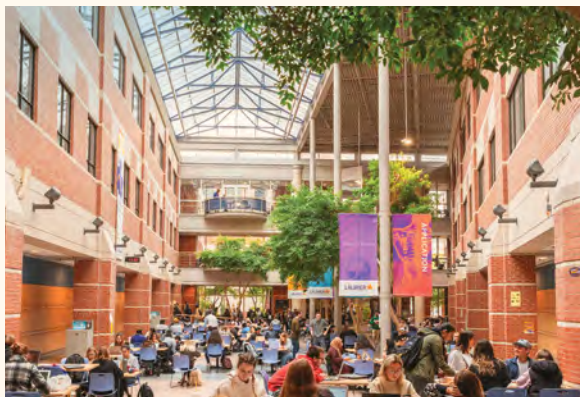

“Coming to a new country to study, I felt anxious, but **Laurier International** made me feel like I belonged. You can meet people from different countries in the coffee club, and experience different cultures during traditional holiday celebrations. It's like a **big family** where you can feel the warmth from everyone.”

— WANLIN H., FINANCIAL MATHEMATICS, CHINA

Your international student experience.

- Get the **education and experience you need to succeed** in all aspects of life – along with supportive staff, faculty and services that are there for you from the moment you accept your offer to the day you graduate and beyond.
- Work hard in the classroom but take advantage of the **learning opportunities** that can happen outside it, like co-op, volunteering, employment opportunities and travelling abroad.
- Discover the many ways to get involved with the Laurier community. You'll **grow personally and professionally** and make lifelong friends with students from Canada and around the world.

- ▣ As a Laurier Golden Hawk, you represent the purple and gold in **all aspects of your student experience**, from athletic clubs and intramurals to live case studies, mock trials and performances.
- ▣ You see first-hand that student success is our number one priority. Every student has a story about staff and faculty who supported them and had a **positive impact** on their university career.
- ▣ You'll feel right at home in a community that is large enough for you to explore your **passions and interests** but small enough that you'll always see a familiar face.
- ▣ You aren't a degree, a number or a piece of paper. We care about developing you academically, professionally and personally. Your years at Laurier will give you an **exceptional university experience** and prepare you for what's next.

Apply your skills, passion and education in a business or organization through co-op. Make an impact while you create business connections that lead to rewarding results. **You'll graduate with a competitive edge, practical work experience on your resumé** and be well on your way to achieving success in whatever you choose to do next.

Learn and earn.

☑ How co-op works.

- Get paid while working full time for 12 to 16 weeks during your co-op work terms.
- Alternate school and work terms, typically working two, three or four co-op work terms throughout your program.
- Get assistance with career planning, job search and interview preparation.
- Apply to co-op job postings and attend interviews.

☑ Does your program offer co-op?

We have **more than 50 undergraduate programs that offer co-op** and we have Canada's largest business degree co-op program. You apply for co-op after first year, unless you're in a double-degree program or Business Technology Management, then you're automatically eligible for co-op. (See pg. 27 for the full list of programs with co-op.)

☑ Competitive admission into co-op.

Admission is based on grades, work experience, volunteer and extracurricular activities, and an interview with the Co-op Office for the following programs. You apply after first year. (User Experience Design and Computer Science Professional Experience Program students apply for co-op after second year.)

- Business Administration
- All Economics programs
- All Faculty of Arts Honours programs*
- All Faculty of Science Honours programs
- User Experience Design

“ One of the main reasons I chose to study at Wilfrid Laurier University was their business co-op program, as they offer **one of the best in Canada**. It provides opportunities for international students to obtain professional work experience while studying. If I had to choose again, **I would still choose Laurier.**”

BRIONA D., BUSINESS ADMINISTRATION, VIETNAM

Hands-on education comes in so many forms, making it one of the greatest ways to **customize your degree** and leave your own meaningful mark on the world around you. **Experiential learning** also equips you with a golden resumé even before you graduate and launch your career.

Learn by doing.

▣ Community and workplace partnerships.

Community Service-Learning opportunities, practicum courses and industry-engaged projects give you a chance to put what you've learned into practice and test the waters before committing to a particular career. Our Community and Workplace Partnerships office works with more than 400 community organizations and employers to bring you hands-on experience that ties in with your academic program.

▣ Performances and competitions.

Whether you're performing a moving concerto or navigating a complicated business case, there are lots of ways to test out your recently developed skills in a real-world context. Present your ideas and showcase your accomplishments in front of both personal supporters and renowned experts.

▣ Travel opportunities.

A few weeks or months in a new place can be just the way to take your learning to a new level. Explore other parts of Canada through co-op and extra-curriculars or take a trip to another continent on an academic exchange – there are lots of ways to see the world while excelling in your studies.

▣ Inspired to give back.

Whether through a course, a club or your own initiative, at Laurier you can support and protect the people and environment around you, first-hand. You could find yourself excavating meaningful artifacts, supporting child and youth programs, preserving local habitats or even stocking our on-campus food bank. There are so many ways to show the world what matters to you.

Admissions.

Admission requirements.

You must meet your program's specific admission requirements (see pages 28-30) in addition to your curriculum-specific requirements.

We accept all curriculums for admission consideration. If you don't see your curriculum here, visit our website to find your specific admission requirements at » wlu.ca/international/admissions.

AMERICAN CURRICULUM

ACT and SAT scores are not required. Test scores may be requested of homeschool applicants for admission consideration.

- High school graduation.
- Passing grades in six courses at the honours, Advanced Placement (AP) or senior level required for admission.

ADVANCED PLACEMENT (AP) COURSES

You may receive transfer credit (up to six courses or 3.0 credits) for AP exams at a minimum grade of four. We require official college board test results for your transfer credit assessment.

GENERAL CERTIFICATE OF EDUCATION (GCE)

- The General Certificate of Education (GCE) or equivalent.
- Minimum of two A-level subjects.
- Two AS-level courses may be substituted for one A-level course.
- Three GCSE subjects, or two when three A-level subjects are presented.
- All programs require GCSE English required at C/4 or AS/A-level English at D unless otherwise stated.
- Required courses should be at the AS or A-level unless otherwise stated.

You may receive transfer credits (up to 6 courses or 3.0 credit depending on your program). Final A-level courses must be at a minimum grade of B.

INTERNATIONAL BACCALAUREATE (IB)

- IB Diploma including bonus points.
- Passing grades in at least 6 subjects, three of which must be HL.
- Required courses at a minimum score of 3 unless otherwise stated.
- If you are taking IB courses along with another curriculum, we assess your application based on your entire academic record.

You may receive transfer credit (up to six courses or 3.0 credits) depending on your program. HL courses must be at a minimum score of 5 and Theory of Knowledge and Extended Essay each at B to be eligible for transfer credit.

Supporting your application.

APPLICANT BACKGROUND SUMMARY (ABS) FORM

If your average is below the minimum requirement for your program, your Applicant Background Summary could help you gain admission. Submit this online form after you apply.

» wlu.ca/abs

SPECIAL CASE AND EXTENUATING CIRCUMSTANCES

If recent or present circumstances have impacted your ability to achieve a strong academic standing, you may submit a personal statement. You can find the form in the applicant portal. Ensure you submit your statement by the deadline. It is your decision to disclose any supporting details.

Admission decisions.

We reserve the right to consider additional academic information, which may impact the status of your application, including but not limited to repeated courses, consistency of academic performance, and when and where courses and/or tests were completed.

TIMING OF OFFERS

We must receive your required documents before we can assess your application. An admission decision is typically made within three to four weeks of a completed application, or longer for competitive programs.

REPEATED COURSES POLICY

If you are applying to a program in the Faculty of Science or the Lazaridis School of Business & Economics, we consider repeated courses when calculating your admission average. We use a weighted average of your first and latest course attempts for required courses only. If you repeat a course that isn't required for admission, we use your highest grade. For all other programs and faculties, we use your highest grade in any repeated courses.

ALTERNATE OFFERS AND WAIT LISTS

You will automatically be considered for admission to an alternate program if you aren't eligible for your program of choice. We may use wait lists for competitive programs. If you are placed on a wait list, you'll also receive an offer of admission to an alternate program.

English-proficiency requirement.

You must show evidence of your English proficiency if you have not studied in an English-language curriculum for a minimum of three years. Submit a minimum score on an English-language test or register for the Laurier English & Academic Foundation (LEAF) program (see page 25). To enrol in the LEAF program, you must have a minimum IELTS score of 4.5 or equivalent.

MINIMUM ENGLISH-PROFICIENCY SCORES

LANGUAGE TEST	MINIMUM SCORE
TOEFL IBT Test of English as a Foreign Language	83 overall 20 in each component
IELTS International English Language Testing System	6.5 overall 6.0 in each band
DUOLINGO	115
CAEL Canadian Academic English Language Test	70 overall 60 in each band
PTE ACADEMIC Pearson Test of English Academic	59 overall

Pathways to Laurier.

Laurier English & Academic Foundation program.

The Laurier English & Academic Foundation (LEAF) program is an academic English program, offered at Laurier's Brantford campus, that is designed to prepare you for success in university. You begin at a LEAF program level according to your most recent English-language test score.

» Learn more at wlu.ca/leaf.

LEAF LEVELS

IELTS	TOEFL	CAEL	DUOLINGO	LEAF LEVEL
6.0	65	60	114-105	5
5.5	50	50	104-95	4
5.0	35	40	94-85	3
4.5	32	30	75-84	2

All accepted English-language tests can be used to determine at what level you'll start your LEAF program studies. Email leaf@wlu.ca.

PREPARE FOR ACADEMIC SUCCESS

LEAF program graduates have had a higher grade point average in their first year than international students who do not take the LEAF program. This is because the LEAF program prepares you for Laurier's academic expectations in addition to helping you improve your English reading, writing, listening and speaking skills.

The LEAF program is accredited by Languages Canada.

“ LEAF helped me get used to education in Canada and improve my English before starting my first year. I learned what to expect from my professors and their courses, so I felt more confident when I started university.”

– MARIA ALEJANDRA V., BIOLOGY, COLOMBIA

LEAF PROGRAM STRUCTURE

There are two 14-week terms (fall and winter) and two eight-week intensive terms (spring and summer) in the LEAF program each calendar year. The 14-week terms are the same length as our undergraduate terms, allowing you to interact with both domestic and international students at Laurier while you experience university life in Canada. In LEAF Level 5, you also complete an academic course for credit.

TERM

Winter	January – April
Spring	April – June
Summer	June – August
Fall	September – December

If you are eligible for both the LEAF program and your academic program, you will receive an offer of admission with a condition to meet Laurier's English-proficiency requirement. After you complete the LEAF program, you can enrol in your academic program. You may also apply to the LEAF program only.

LEAF PROGRAM FEES FOR 2022

TERM	LEVELS 2, 3 AND 4	LEVEL 5
Spring and Summer	\$4,800	\$6,700
Fall and Winter	\$5,800	\$7,775

All fees are listed in Canadian dollars and are subject to change. Level 5 fees include the tuition fee for one academic course for credit. These numbers represent tuition fees only. Find estimates of expenses relating to residence, incidental fees, textbooks and food on page 31. Fees are subject to change.

Wilfrid Laurier International College.

Located on Laurier’s Brantford campus, Wilfrid Laurier International College (WLIC) offers programs and an approach to teaching that set you up for success in your university studies and to navigate your own personal journey to success at Laurier. WLIC provides an alternative first-year option for international undergraduate students who would benefit from WLIC’s admissions requirements and multiple start-term options each year.

EMERGENCY FUNDING

Students can access emergency counselling and financial support through the Dean of Students' offices and one-time emergency bursary funding from Laurier International.

EARN UP TO \$40,000 in merit-based entrance scholarship funding.

WORK PART TIME
In Laurier's Work-Study program, you can work up to 20 hours per week while studying full time.

Our investment in you.

We have several **funding opportunities** available for your first year at Laurier and beyond.

ENTRANCE SCHOLARSHIPS

You are automatically assessed for an entrance scholarship and it is awarded based on your final high school admission average. *No application required.*

» See wlu.ca/scholarships for eligibility requirements.

ADMISSION AVERAGE	AWARD
80.0–84.9%	\$1,000
85.0–89.9%	\$2,500
90.0–94.9%	\$3,000
95.0–100%*	\$4,000

Note: Scholarship values are subject to change. Bachelor of Business Administration (BBA) and BBA double-degree students are eligible for entrance scholarships with an admission average of 90% and higher. *This entrance scholarship is the President's Gold Scholarship.

PRESIDENT'S GOLD SCHOLARSHIP

If your average is 95% or higher, you will receive \$4,000 in your first year at Laurier. This scholarship is renewable each year of your degree (up to five years for some programs) if you meet eligibility requirements.

LAURIER SCHOLARS AWARD

The prestigious Laurier Scholars Award is an annual entrance scholarship that offers high-achieving students the opportunity to participate in a dynamic learning environment that will foster innovative thinking and ethical, visionary leadership. This award is valued at **\$40,000** over the course of four years. *A separate application is required. The scholarship value is subject to change.*

INSPIRING LIVES SCHOLARSHIPS

Several scholarships are awarded each year to incoming international students who inspire lives of leadership and purpose in their communities and through extracurricular activities. *A separate application is required.*

UPPER-YEAR SCHOLARSHIPS

In your upper years, you will automatically be considered for in-course scholarships based on the grade point average (GPA) of your Laurier courses from the previous academic year. In-course scholarships begin at a GPA of 10.0 (approximately 80%) and above. You could receive between **\$500** and **\$1,500** CAD annually. *No application is required.*

COMPETITIVE SCHOLARSHIPS AND AWARDS

Every year, you can apply for competitive scholarships, awards and bursaries by completing a student profile about yourself on LORIS. Awards are granted based on the information you provide, including your interests, involvement, financial need, academic achievement and more. Some of the competitive scholarships and awards just for international students include:

- Farouk & Dawn Ahamed International Student Scholarship
- The Walter Metzger Memorial Bursary Fund
- Students' Union International Student Awards

Student profiles open in June.

We want you to join our community.

Applications are facilitated online through the Ontario Universities' Application Centre (OUAC). After you apply, you'll receive a confirmation email with your next steps. We'll keep you informed along your whole applicant journey.

How to apply.
